A thorough review of the materials contained in this office's files on the captioned case, as well as other case files touching upon any aspect of the assassination of President Kennedy, reveals that all pertinent information, except that in the enclosed letterhead memoranda, has already been reported to the Bureau in letterhead memorandum form.

The manner in which to report information in our files pursuant to the instructions set out in re-airtel, was discussed with Legat, Paris, on April 2, 1964. Legat, Paris, advised that he had been in contact with Legat, London, who had in turn been in direct telephonic contact with the Bureau, where he had determined that information already submitted by Legat offices in letterhead memorandum form was adequate for the purposes of the Bureau.

UACB this office is taking no further action in this matter at this time.
