the California and Washington Industrial Insurance Acts. The California claim resulted in partial hearings and on 5/28/62 was dismissed on the grounds BRAY failed to appear for future hearings. No action has been taken on the State of Washington claim. During the course of the California proceedings, Mr. BRAY was found to be incompetent by the California Commission to handle his own affairs and upon the request of Mr. BRAY's attorney, at that time, his wife was appointed his Guardian Ad Litem to act in his behalf.

For further information of the Bureau, referenced San Antonio airtel forwarded to Portland an envelope post-marked 3/25/64 at Portland, Oregon, addressed to the Chief of Police, Austin, Texas. Enclosed in the envelope is a statement by EDWARD F. BRAY which mentions the assassination of the President. These enclosures were received 3/31/64 from the Austin, Texas, Police Department, by SA GEORGE W. H. CARLSON.

Reference also Portland airtel to Bureau, 3/25/64, concerning information forwarded by San Antonio by previous airtel dated 3/20/64. The Portland airtel also forwarded to San Antonio two copies of an insert concerning EDWARD FRANK BRAY, 25 copies of which were forwarded to Dallas by Portland airtel dated 3/19/64.

Examination of the material forwarded by Detroit airtel of 4/1/64 and San Antonio airtel of 4/2/64, both referenced in paragraph one above, disclosed that the material is virtually identical to that previously sent to various: cities in the country by EDWARD FRANK BRAY. In view of this fact, and the insert already prepared on BRAY, no further action is being taken on the information set out in the Detroit, San Antonio, and Los Angeles airtels.
