Briefly, Wells, who is believed to be a mental

she had information regarding the assassination. This
information allegedly was that a Mexican meat company
had offered a \$500,000 reward for the President's
assassination and that Oswald had dropped a cigarette
lighter at the scene of the crime which had the name
of the meat company on it. In view of allegation, CG
was instructed to run this matter out. CG by teletype

however they were still trying to locate her.
