It is pointed out that CATHERINE BLAINE BOND was not interviewed, as her present whereabouts is unknown. However, the facts developed thus far reflect that there is no apparent basis for the allegations in Mrs. TRACY's letter, and when interviewed, Mrs. TRACY attributed all derogatory and violent remarks made concerning former President KENNEDY to CHARLOTTE REGAN and, therefore, no additional investigation is being conducted to locate and interview CATHERINE BLAINE BOND, UACB.

The source who requested her identity not be divulged and who furnished information regarding CHARLOTTE RANDALL MC ELFRESH, reflected in the attached enclosures, is [redacted] Bufile 100-374664. It should be noted that
