

# MARINA OSWALD All the Pity In World Won't Help

Others have succumbed to the killing and a nation has wept for the man who was killed. But Marina Oswald, the woman who was with her husband on the day he was shot, has not wept. She has not even shed a tear for the man who was her husband.

She is not weeping. She is not weeping for the man who was her husband. She is not weeping for the man who was her husband.
