ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
11/22/63
DALLAS, TEXAS
MISCELLANEOUS - INFORMATION CONCERNING

Enclosed are two copies of a letter received by the Bureau allegedly written by "Attorney at Law. George B. Woods." This communication was dated 5/9/64, Fort Worth, Texas.

Bureau indices are negative concerning this individual and a search of the 1964 Martindale Hubbell Law Directory does not list George B. Woods as an attorney in the Fort Worth, Texas area.

Dallas is instructed to endeavor to identify and interview George B. Woods and prepare the results of this investigation in an appropriate insert for inclusion in a subsequent report. Determine from Woods his reason for writing this communication and also include any information available which would reflect upon his credibility, noting that the communication is incongruous. Furnish the Bureau appropriate copies revealing results of your inquiry.

NOTE: Letter dated 5/9/64, Fort Worth, Texas, addressed to the Director, was received at the Bureau. The writer claims to be an attorney, however, the communication is completely nonsensical. The writer alleges it is widely known in Dallas that President Kennedy was killed by the FBI in Dallas. It is certainly questionable whether this communication was written by an attorney; however, Dallas has been instructed to locate and interview Woods and include results in a subsequent report.
