The paper is a deadly snake, that
spreads covered
The hidden old manuscript, that
continues to be published, in some form
for money, and in his country, it is
used by him to promote subversion
This deadly snake, was to all
over committing a bit in some form
This done before, as now, in the
R. Ubye) murder of President Kennedy
The Police, said

COPIES DESTROYED

They might not be the
case again, same as they have
done before, many in fact
that they trust all of the same
extensive covering.
