PURPOSE

To recommend the attached letter to the President's Commission and airtel to the field be sent concerning receipt of anonymous letter at the Bureau relating to a threat against Chief Justice Warren by unidentified third parties, and the assassination.

DETAILS

Anonymous undated typewritten letter was received at the Bureau on 5-13-64, in an envelope with illegible postmark.

The anonymous letter relates that the writer, while in a restaurant near the Mexican border, overheard a conversation between two individuals in the Spanish language. According to the writer, the conversation concerned politics and turned to the assassination of President Kennedy. One of the unidentified individuals is reported to have implied in his conversation that other identified third parties were responsible for the assassination of President Kennedy, and that Chief Justice Earl Warren was the next logical one to be "eliminated."

According to the anonymous writer the individual who is alleged to have made these statements is described as possibly part Mexican, 50 - 55 years of age and driving a 1954 or 1955 Packard bearing Arizona license EYZ 958. It is also reported that he may possibly live in Tucson, Arizona. The anonymous writer was of the opinion that if any action was to be taken against the Chief Justice, it would probably be in San Diego based on the conversation he overheard on 2/19/64.
