-Commission Exhibit No. 234-

Dear Sir,

Enclosed please find the registration fee of twenty-five dollars which I understand is to be placed toward my normal college fees and expenses. I am very glad to have been accepted for the third term of your college next year and am looking forward to a fine stay. Any new equipment on the campus or even the students who will attend next year would be appreciated.

Sincerely yours,  
L. H. Casper, Jr.
