For full details see Rosen to Belmont memo 6-16-64, RDR:las. In this memo the Director approved the dissemination of copies of this report to the Department and Secret Service. Secret Service's copy has been sent by 0-141. Our investigation resulted from complaints, remarks, and threats allegedly made by individuals concerning their feelings about President Kennedy, other officials and the policies of the administration. This report contains several references to the Attorney General of the United States and therefore, a copy is being furnished. Where threats have been received against the Attorney General or other high officials the Department has been advised or other appropriate dissemination made. Most of the investigation is predicated on complaints received from cranks, mental incompetents and individuals believing they are doing a service to the United States by reporting suspicious activities, etc.
