To. Postmaster General
Of The United States

Dear Sir

I Am Writing This Letter As To Gain Information. Does A Man Have To Swear To Up Hold The Constitution Of The United States With Out And With In The United States If This Is So You Have Money Men Working Here At Raleigh Cursed Pres. Kennedy. And Say Pres. Johnson Will Be Killed Like Pres. Kennedy Was. They Make No Seret Of Talking Like This Here As They Know Who The Post Office Workers Who Are Loyal To The United States And Keep Quite In Their Presents You Could Have This Citys Post Office Investegated I Think You Owe This To The United States As A Citizen If Nothing Else I Think The Morals Of This Groupe Of Workers Are Beləw The Average Of Postal Workers I Have Noticed In Other Citys If All You Are Going To Do Is To Write A Letter To These Officers In Charge Do Nothing As That Is It Would Do No Good
