Dear Mr. Rankin:

This Bureau has obtained a set of 35 millimeter color slides that are being marketed by Phil Willis Enterprises, Post Office Box 17266, Dallas, Texas. These slides were made from 35 millimeter photographs taken by Mr. Phillip L. Willis on November 22, 1963.

Willis has advised that he was on the northwest corner of Houston and Main Streets and took several pictures from this position. He then moved north on Houston Street to a position opposite the Dallas County Jail and took a picture of the President's car as it passed. He then ran north on Houston Street and west on Elm Street stopping at a location across from the Texas School Book Depository where he took several pictures.

One of the slides is described by Willis as follows:

BY COURIER SVC.
 88 JUN 29
 COMMA-FBI

"According to eyewitnesses and verified by investigators, this slide was taken at the exact instant the first bullet struck the President from behind."

Examination in the FBI Laboratory shows that this photograph contains no specific evidence of a shot.
