Baltimore is instructed to thoroughly review the letterhead memorandum and inserts furnished to Dallas to resolve the questions raised above. You are reminded in quoting communications from outside sources, it is permissible to use quotation marks prior to each paragraph and incorporate any and all errors made by the outside and incorporate any and all errors made by the outside source without correction. However, since none of the communications set out in your letterhead memorandum were appropriately quoted, the Burcau has no way of knowing whether the errors were made by or by your office. This matter must be immediately handled and any

•

This matter must be immediately handled and any necessary corrections should be immediately furnished to Dallas and the Bureau. It will not be necessary for Baltimore to submit an additional letterhead memorandum, as this matter will be appropriately reported by the Dallas Office inasmuch as inserts have been furnished to Dallas.

Baltimore is reminded that when submitting inserts to Dallas in this particular investigation, it is not necessary to also submit a letterhead memorandum unless the nature of the particular situation warrants or might نې د د د و وړې و د د د د د و وړې و

RE: ASSASSINATION OF PRESIDENT REMAEDE President's Commission or other Federal agencies. In this particular : case ' it was not necessary to submit a letterhead memorandum to the Bureau. A copy of the inserts furnished to Dallas would have sufficed.

0

Baltimore must insure that when submitting مرموم بالمجمليني مراجع المحمو communications to the Bureau, that extreme care is taken in their preparation. Baltimore will be held strictly accountable for the accuracy of the inserts subsequently reported by Dallas in this matter.

For your assistance, no information identifiable with could be located in Bureau files.

NOTE: NOTE: ReBAairtel furnished the Bureau with a 15 page letterhead memorandum relating to communications sent by to the Governor of Texas. The letters make some mention of the hate has for President Kennedy and the assassination, tut it is obviously the work of an emotionally unstable individual. Baltimore's investigation has established that between the source of the National Institutes of Health at Bethesda, Waryland, but is being discharged from her employment in view of a medical being discharged from her employment in view of a medical disability which has existed for approximately two years and probably related to her emotional unstability. Since Dallas
