L. P. ...

Reference memorandum dated February 26, 1964, from W. D. Griffith concerning a continuing project wherein the Bureau had undertaken to furnish the Commission with photographs of all Commission exhibits.

On July 29, 1964, Miss Mary A. Rowcotsky called SA Marion E. Williams of the Laboratory's Physics and Chemistry Section and requested that a Bureau representative take custody of the exhibits listed on the attached list. She further requested that the Commission be furnished with three copies of each exhibit not previously reproduced.

As a matter of record, custody was taken of instant exhibits by SA Cortlandt Cunningham on the date of the request.

This work will be handled by an Agent Examiner of the Laboratory's Document Section.

ACTION: Exhibits will be photographed or otherwise reproduced and three copies will be supplied to the Commission as requested. Those items originally supplied to the Commission by the Bureau will be kept in Bureau custody. Items not originating from the Bureau will be returned along with the photographs. (Designated by *)
