On July 14, 1964, Major GEORGE CANFIELD was interviewed by SA EUGENE W. IRVIN at Urbana, Illinois, resident agency. CANFIELD voluntarily appeared at the resident agency and advised that he had come to Villa Grove, Illinois, for a visit from Okalona, Arkansas, and was advised by his father that the FBI was trying to locate him.

CANFIELD said that he knew very little about IMHOFF's background personally other than information obtained from conversation with IMHOFF while prospecting in Colorado and Nevada. He said that an individual by the name of O.O. MITTENDORF from Tucson, Arizona, had been associated with IMHOFF prior to CANFIELD's meeting with IMHOFF and had reportedly promoted some kind of a deal looking for treasure in Mexico, but is now reportedly back in Tucson, Arizona.

CANFIELD described MITTENDORF as race white, sex male, age about 60, tall slender and gray haired.

CANFIELD said that on the initial trip to Illinois with IMHOFF about September, 1963, they visited for a short time in Dallas, Texas, with an individual by the name of EDMUND MUDGE, Jr., who is now associated with some oil company in Dallas. He said that he had met MUDGE about two or three years ago in Tellurid, Colorado, and knew that MUDGE was interested in prospecting and might be interested in IMHOFF's inventions. He said nothing came of this visit and they proceeded to Villa Grove, Illinois, to the home of his father.

CANFIELD said he believes that IMHOFF may have made some statement to his landlady, name not recalled, at 18 East 14th St., Tucson, Arizona, as to IMHOFF's premonitions concerning President KENNEDY not completing his term of office.

CANFIELD advised that he is returning to Okalona, Arkansas, about July 17, 1964.

Little Rock discontinue efforts to locate CANFIELD.
