Airtel to SAC, New York RE: ASSASSINATION OF PRESIDENT KENNEDY

No effort was made to check the mames set out in the letters through Bureau indices, as it appears both letters were prepared by a mentally disturbed person possibly a patient at the King's Park State Hospital.

New York is instructed to conduct appropriate logical investigation at the King's Park State Hospital in an effort to identify the anonymous letter writer. If the writer is identified, he should be interviewed if possible regarding the allegations in the anonymous letters. The results of investigation, including true copies of the anonymous letters, results of the Laboratory and Identi-fication Division examinations of these letters, should be incorporated in appropriate inserts and transmitted to the Bureau and Dallas, 25 copies to Dallas.

Should the writer be identified, be alert to any information indicating mental incompetency and include same in your inserts.

Should it develope that this matter cannot be logically resolved with a minimum of investigation, Bureau advice should be sought before conducting an all-out investigation regarding the names listed in the anonymous letters.

Every effort should be made to expedite this investigation and furnish the results to Dallas at the earliest possible time, as the Commission is endeavoring to wind up its inquiry at an early date.

NOTE: The anonymous letter furnished by Walter Winchell Should it develope that this matter cannot be

NOTE: The anonymous letter furnished by Walter Winchell lists some 25 individuals who reside in various parts of the United States and may now be employed by or bepatients at the Kings Park State Hospital in Long Island, New York. It is alleged these people may have knowledge of the assassination.

The letter furnished by the Percentage of the assassination. The letter furnished by the Department claims that Oswald is not the only one involved in the assassination, that others are involved. Six names mentioned in the above letter are repeated. The writer claims all of these individuals are ex members of the United States Coast Guard, who served in World War II. King's Park State Hospital is a mental institution and it is possible the writer is a former member of the NOTE CONTINUED PAGE FOUR

United States Coast Guard and currently a patient at the

hospital. Because of the nature of the letter it is not felt that any effort should be made to check out all of the names at this time.

Laboratory examination has established that both letters were written by the same person. Full details concerning these examinations can be found in W. D. Griffith to Conrad Memo captioned "Anonymous Letters to the Attorney Coneral and Walter Finchell" dated 7-31-64. GFM: em and General and Walter Winchell," dated 7-31-64, GFM:em and S. F.
