And Senator Hubert Humphrey
Dear Sirs :

The MAN (LYNDON B. JOHNSON) whom you are rolling out the RED CARPET for is the same LYNDON B. JOHNSON who less than a year ago planned the trip and plotted the plan that resulted in the assassination of John F. Kennedy which brought lasting shame and disgrace to your fine cities, the Great State of Texas, the whole United States of America and the Free world.

All these plots to assassinate Mr. Johnson are political hoaxes which will result in a pack of lies as have the entire story surrounding the assassination of President Kennedy.

The guilty person (s) (Mr. Johnson, the chief assassination planner) has not been questioned and his answer made public about his knowledge concerning the whole matter. From the planning of the trip, the invitation for the Kennedys to his ranch, through the assassination.

Hubert, was Mr. Johnson TRIGGER HAPPY when he planned the plot to assassinate President Kennedy? Was Mr. Johnson TRIGGER HAPPY when he ordered our troops to fire in Viet Nam?

Aren't Mr. Johnson and Mr. Humphrey the same two men who ran against Mr. Kennedy at the 1960 Democratic Convention? LOOK OUT U-2.
