Re Milwaukee airtel to Bureau, 10/16/64.

On 10/20/64 AUSA FRANKLYN M. GIMBEL, Milwaukee, Wisconsin, in preparation for the forthcoming trial of PETER HURKOS, stated he desired to refute the statements of HURKOS made at the Wauwatosa service station in December, 1963 regarding his participation in the investigation concerning the assassination of President KENNEDY.

A review of the report on the assassination published by the Warren Commission did not locate a reference to PETER HURKOS. It will be noted that the Dallas Office by airtel, dated 2/14/64, reported that a review of logical sources and of the Dallas files disclosed no mention of or reference to HURKOS. However, it is felt that the unpublished findings of the Warren Commission could possibly refer to work performed in Dallas by HURKOS on the assassination.

The Bureau is requested to determine through contact with the President's Commission on the Assassination of President Kennedy if PETER HURKOS conducted any investigation regarding the assassination of President KENNEDY.
