Dear [REDACTED]

Your letter was received on September 26th during Mr. Hoover's absence.

I know he would want me to advise you that the results of the FBI's investigation into the assassination of President Kennedy were transmitted to the President's Commission on the Assassination of President Kennedy. This Commission has since furnished all data in its possession to the National Archives, Washington, D. C. Certain material in possession of the Archives is now available for public inspection and for legitimate research purposes.
