SUBJECT: ASSASSINATION OF PRESIDENT  
JOHN FITZGERALD KENNEDY  
DALLAS, TEXAS  
NOVEMBER 22, 1963

PURPOSE:

To advise a citizen's letter has been received asking questions relating to observations of our Agents who attended the autopsy of President Kennedy. Acknowledgment letter attached.

BACKGROUND:

11 218 1/2 *[Handwritten]*  
A letter has been received from David S. Lifton of Los Angeles, California, who indicated he telephonically contacted Special Agent James W. Sibert, Jr., while SA Sibert was on vacation. He indicated he wanted to ask Mr. Sibert some questions concerning an FBI report written by SAs Sibert and O'Neill concerning the autopsy performed on President Kennedy on 11/22/63. Mr. Lifton referred to an FBI report indicating that the report said the President's body was removed from the casket and was placed on the autopsy table. He then quoted the following information contained in the report:

"Following the removal of the wrapping, it was ascertained that the President's clothing had been removed and it was also apparent that a tracheotomy had been performed, as well as surgery of the head area, namely, in the top of the skull." (emphasis added)

Mr. Lifton is referring to the FD-302 submitted by Sibert and O'Neill dated 11/26/63, which sets forth information orally furnished to them by the autopsy physician.

Briefly, Mr. Lifton wants to know what our Agents witnessed which formed the basis for their comments regarding the head surgery performed on the President, and in substance, requested an elaboration regarding the autopsy.

Memorandum to Mr. DeLoach  
RE: ASSASSINATION OF PRESIDENT  
JOHN FITZGERALD KENNEDY

When these questions were asked of SA Sibert, he advised that he could not comment on this matter and referred Mr. Lifton to Bureau Headquarters. The Baltimore Division submitted an airtel to the Bureau which revealed that SA Sibert had been contacted by Mr. Lifton. Lifton, a graduate student of the University of California, is doing a research paper and had read an account of President Kennedy's autopsy report by SAs Sibert and O'Neill which appeared in the book, "The Second Oswald," written by Richard H. Popkin. Lifton also indicated he had read an account in another book entitled, "Inquest," written by Edward J. Epstein.

Mr. Lifton's letter is one of several letters that have been received asking for information, and although his letter is being acknowledged, he will be referred to information which was furnished to the President's Commission and subsequently made available to the National Archives.

Based on information furnished, Mr. Lifton was not identified in Bureau files.

ACTION:

Attached for approval is a letter to Mr. David S. Lifton.
