Find Pistol at Shaw Parking Site

A small, foreign-made pistol was found Sunday hidden behind the wheel of a truck at a service station where Clay Shaw and his attorneys parked their car yesterday to appear in Criminal Court on Shaw's murder conspiracy hearing.

The gun was loaded and within easy access to anyone moving in the station entrance.

Since its discovery, L. M. Magruder, owner and operator of the station, said a tall, slim, unidentified man has twice been seen walking across the apron of the station in the vicinity of the pistol's hiding place.

Magruder said the pistol, made in Germany, apparently was placed carefully behind the wheel of the truck, which had not been in use for some time.
