The purpose of this memorandum is to recommend dissemination to the White House and to the Attorney General of data that was furnished by [redacted]

[redacted] who furnished information to Special Agent H. P. Leinbaugh on a highly confidential basis (memorandum Mr. Wick to Mr. DeLoach dated 4-3-67).

[redacted] indicated he had been in contact with New Orleans District Attorney Garrison [redacted] and reached the conclusion that Garrison's whole investigation was farcical. He characterized Garrison's actions as an atrocity.

[redacted] He indicated he desired the material closely held by the Bureau, but that he had no objection if we gave it to the President and the Attorney General. [redacted] requested his identity be protected in disseminating the material outside the Bureau.

ACTION:

Attached are letters to Mrs. Mildred Stegall at the White House and to the Attorney General, transmitting to each a memorandum summarizing data we received from [redacted]
