Dear Mr. Hoover:

We realize, of course, that your time is invaluable, and your Organization is as complex and advanced as any governmental enterprise in the nation's history. We request that you take a moment, however, to consider this information, especially because we have the best of the nation at heart and do lack the palpable political-oriented motivations that spur others to investigate the late President's assassination.

As unlikely and insubstantial as it may seem, we feel you should be informed that on the evening of May 22, 1967, a Cuija board, then asked the question "who killed President Kennedy?" responded:

"OS. LD
DAID BY BEBY'S GIRLFRIEND"

As we have heard nothing to this effect mentioned before, we felt you should have the at your disposal. This Cuija board has already answered many verifiable questions correctly. This has heightened our curiosity and earnestness in forwarding this message to you. Please write soon and tell us of your conclusions.

Sincerely yours,

Eric G. LeVeon
