ASSASSINATION OF  
PRESIDENT JOHN F. KENNEDY,  
NOVEMBER 22, 1963,  
DALLAS, TEXAS

On July 17, 1967, the FBI Office at Portland, Maine, received an envelope postmarked Roanoke, Va., July 14, 1967, which was addressed to the "FBI Office, Portland, New Hampshire."

As there was no office of the FBI in Portland, New Hampshire, the Post Office Department had forwarded this envelope to the FBI Office in Portland, Maine.

Enclosed in the envelope were two pieces of paper on which appeared Morse code symbols. The appropriate letters applying to these symbols have been placed above each specific symbol by an FBI employee at Boston, Massachusetts. It is noted that some of these symbols form complete words and refer to the assassination of President John F. Kennedy. Other symbols literally translated have no significant meaning.

Copies of the envelope and the two sheets of paper mentioned above are attached to this memorandum.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
