Dear Mr. Hill:

John Hill

With reference to your communication of August 26th, this is to advise that all of the material developed by the FBI in connection with our investigation of the assassination of President Kennedy was turned over to the Warren Commission for its consideration and the results of our inquiry into this matter were subsequently made available to the National Archives by the Warren Commission.

The FBI has no authority to independently release any information contained in these reports; however, since certain material is available for inspection, I suggest you communicate with the Archivist, National Archives and Records Service, 8th Street and Pennsylvania Avenue, N. W., Washington, D. C. 20408, for the data you desire.

Sincerely yours,

J. Edgar Hoover
