Dear Friend,

I send you a copy of Mark Lane's book, "Rush to Judgement", because
in American should read it.

I quote below a letter received by me from Mark Lane on April 20th
year. I think that's something you should read too.

I do this out of a sense of responsibility as an American citizen,
the welfare of this country; who feels deeply that there are forces
society leading us to national disaster and that the people involv
murder of President Kennedy are part of those forces.

I ask you to read the book and Mr. Lane's letter in that spirit.

Sincerely,

Paul Rothkrug
