This morning, captioned individual telephoned the Bureau and talked to SA Carl J. Hall of the Crime Research Section. English said that he was planning to hold a press conference at noon today at captioned hotel, and he wanted to know if it would be possible to have one or two FBI Agents attend this press conference.

English was somewhat rambling in his conversation, and it was not possible to elicit from him the reason why he wanted FBI Agents in attendance. He indicated his press conference would deal with the assassination of President Kennedy; however, it was not possible to get any further details from him.

English also said he realized that he had been "a past embarrassment to the FBI." He also refused to discuss this matter any further.

The jurisdiction of the FBI was explained to English insofar as his request was concerned, and he indicated that he understood but hoped we would give his request some consideration.
