His Excellency The Consul General  
of the United States of America,  
Toulouse, France.

Sir:

I want to advise you that I have sent a registered letter to the office of the State Attorney of New Orleans [sic], [addressing it] to Mr. Jim Garrison, in which I stated that have knowledge of a "dossier" on the assassination of the beloved President J. F. Kennedy.

I consider the facts I revealed in that letter to be of extreme importance in the search for truth and justice.

Please find out through diplomatic channels and let me know whether my letter, written in French, was received, read, translated, and above all understood at New Orleans.

Awaiting your answer, I remain,

Very truly yours,

[Signature]
