Dear Mr. Fair:

RE: THIRD REQUEST

On July 3rd & September 3, I wrote you a letter requesting your autograph on ~~three~~<sup>two</sup> specially cacheted envelopes for my JOHN F. KENNEDY stamp collection. To date I have not heard from you.

If you should decide not to autograph these envelopes, please return them to me in the enclosed self-addressed, stamped envelope. These are special envelopes that have intrinsic value to me.

I would appreciate hearing from you at your earliest convenience.

Very truly yours,
