K78 The following documents bear known handwriting and hand
printing of CLARENCE ARTHUR PELTON:Employee's Withholding Exemption Certificate
Employee Information card
Employee's Request For Group Insurance card

Result of examination:

K78 is essentially lower-case hand printing and hence not fully comparable with the questioned hand printing in the address book, previously submitted with your airtel 9/6/67. However, nothing of particular interest or significance was noted as a result of a comparison of the known writing of CLARENCE ARTHUR PELTON, K78, and the questioned hand printing .

The submitted evidence was photographed and is returned herewith.
