

Domestic Intelligence Division

INFORMATIVE NOTE

Date 11/3/67

William Wayne Dalzell was active in anti-Castro Cuban activities New Orleans area in the early 1960's. We have previously received report that Garrison desired to question Dalzell as to his knowledge of possible anti-Castro Cubans being involved in the assassination. We received no information during our investigation of the assassination that Dalzell was ever acquainted with Lee Harvey Oswald or involved in any manner in the assassination of President Kennedy.

Inasmuch as data in the attached teletype appeared in news media, no dissemination will be made of it.
