REC 36

1 - Mr. Raupach

ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
NOVEMBER 22, 1963, DALLAS, TEXAS
MISCELLANEOUS - INFORMATION CONCERNING

ReDLlet 11/15/67 concerning Steve Roberts.

Enclosed for Dallas and New Orleans are Xerox copies of letters written by Senator John G. Tower and Steve Roberts of Dallas which are self-explanatory.

Roberts' letter refers to the recent article prepared by Dr. Josiah Thompson which appeared in the Saturday Evening Post and in addition mentions that Roberts has been associated with the Jim Garrison investigation since August.

For the information of New Orleans, referenced Dallas communication indicated that Steve Roberts, white male, age 18, residing at 9704 Lanward Drive, Dallas, Texas, has contacted the Dallas Office on several occasions requesting information concerning legal policies of the Federal Government. Dallas has referred Roberts to the U. S. Attorney and law libraries for answers to most of his questions.

Roberts last appeared at the Dallas Office on 11/13/67 at which time he indicated he is writing a book on the assassination of President Kennedy. He claims he is a free-lance writer and will attempt to sell his book. Dallas has described Roberts as a "very nervous individual."

It will not be necessary for the Dallas Office to interview Roberts concerning the comments he made which are set forth in the enclosure. Dealings with him should be most circumspect.

NOTE:

Senator John G. Tower acknowledged the letter sent to him by Steve Roberts indicating that he was forwarding Roberts' letter to appropriate authorities to determine if Roberts' letter contains useful information. It is noted following a review of Roberts' letter, it appears he has done nothing more than rephrase information previously written by Dr. Josiah Thompson of Haverford College in respect to his new theory concerning the assassination. Roberts did mention that from the information that he has gathered he can locate the alleged assassins and claims that he has located one of the cars used by the assassins. Due to Roberts' condition as established by the Dallas Office, he should not be interviewed regarding this matter.
