Enclosed is an advertisement which came in the mail to SA LINCOLN J. STOKES of this office. This advertisement deals with a book called "In the Shadows of Dallas." This book would be sent with every subscription to a new magazine called "RAMPARTS." The advertisement states as follows:

"The Case for Jim Garrison by WILLIAM W. TURNER. An ex-FBI man who has spent two years investigating the Kennedy assassination analyzes the astonishing facts of New Orleans District Attorney Jim Garrison's counter-theory to the Warren Commission. TURNER also explains why large television networks - and the FBI and CIA - are so set on discrediting Garrison. Essential reading for those interested in the assassination and the situation in New Orleans."

The Bureau is probably aware of this, but just in case this has not come to the Bureau's attention, Cincinnati is furnishing same.
