

REMARKABLE ATTITUDE OF CARDINAL COVENANT TO KILL THE CONFEDERATE CONSPIRACY
BY ASSASSINATING BIRDS JR. GIVES THEM TO THEM WHAT THEY DESIRE
TO ACCORDING TO HOWARD, WHO HE CAN BLAME ON WHOMSOEVER HE WANTS.
WITH THEM PRETTY MUCH & DOWN HE WANTS TO GET THEM AND
NOTHING RICHARD HAS IN HIS MIND WHICH COULD MAKE THIS POSSIBLE
THAT HE WAS SUGGESTED TO DYNAS OR CRIMES OR ANY. WHEN WARREN'S
CONCERNCE, GIVES SO EASY AND RELAX WITH KENNEDY'S COOPERATION
LET ME TELL YOU FOR YOUR SECURITY IN TELLING ME ABOUT BIRDS,
BIRDS, and for making it virtually an impossibility to
protect Bobby from a second attempt, you sweet old
Confederate s.o.b. Now, if he wants to stay alive,
in my opinion his only guarantee is for you to
confess publicly his involvement and demand the release
of Justice's testimony b/c to see that the
other Confederate in the family does so too.

I have given the date of the next assassination attempt
to Richard Cardinal Cushing. He will give it to Bobby
that Bobby and Ted appear personally to receive it.
They will travel by train still. They will not fly. But
they do, regardless of the date, they have less than
an even chance of landing safely. O.H.I. killed
as people to sabotage Robert Patterson's aircraft
as people in Honolulu in another accident to get it down.
Unconscious bystanders mean as little to O.H.I. as an egg
to Bobby that in '60, in the three states of 1343 73% of
the eligible voters could vote, and in all 11 states
in the U.S.A. an average 36% of eligible voters could
vote. Great civil rights man. Or did you assume that
Heaven gave me accurate information on the masses
of which he failed to point out the Confederate involve-
ment of each, Bobby, and Ted?

A short passing up, Bobby, Ted, and Ted have
joined them political careers in Washington. We have
enough inroads in the Kennedy family. Besides which, no one
wants Bobby, Ted and you know why he is a running horse
marked for something really important. Wasn't you tell
me that this bitter political if anything, you have to
mention Johnson, that Bobby was a competitor for the
Speaker job and would not get out, no matter what happened
thereby. Bobby marked himself for death by FBI
just as Warren is marked for the same reason.

THEY WILL READ THIS LETTER. WE ARE AWARE THEY HAVE BEEN
TOLD TO PURGE THE NEXT ASSASSINATION ATTEMPT TO SUCCEED
AND HAVE SO NOTIFIED THE CARDINAL. I WILL TELL YOU THE
TRUTH OF THIS THING. *10/11*.
