Dear [Redacted]

Your letter of December 26, 1967, has been received, and I appreciate your expression of confidence in the work performed by the FBI.

With regard to your inquiry, I must advise that I am precluded from furnishing you information from the files of the FBI. I can assure you, however, that the entire results of our investigation into the assassination of President Kennedy were furnished to the Warren Commission.

I can also assure you that the FBI has and will continue to discharge fully its obligations and responsibilities in connection with investigations conducted.

Sincerely yours,

NOTE:

Correspondent refers to District Attorney Garrison's appearance on television wherein he stated that the FBI had advance knowledge of the plot to assassinate President Kennedy. She states it is extremely difficult for her to imagine negligence on the Director's part or his associates in such a vital matter.
