Chief of Police  
Sheriff's Department  
County of Dallas  
Dallas, Texas

Dear Sir:

In Volume XXIII of the "Hearings Before the President's Commission on the Assassination of President Kennedy," the transcripts of radio transmissions of the Dallas Police Department for November 22, 1963 are reproduced (CE-1974). In these transcripts, several interesting matters are brought to light but the Report does not tell whether or not they were followed up. They are:

1. Suspects were observed leaving vehicles and going into an apartment at 5818 Belmont. At least one of them was carrying what was described as a rifle. (p. 884)
2. A suspect was seen jumping into a box car near the overpass and hiding there. This was reported by a T and P agent. (p. 878)
3. A suspect on the overpass rail road tracks, Cobb Stadium, carrying a rifle. (p. 805)

Since I can not find the outcome of these investigations in the volumes of the "Warren Report," I was wondering if perhaps you could advise me as to what the investigations of the above incidents turned up? If you will notify me, I shall appreciate it very much.

Sincerely,

*Emory L. Brown, Jr.*
