Honorable M. Gene Snyder  
House of Representatives  
Washington, D. C. 20515

My dear Congressman:

I have received your communication of April 15th together with a letter from Mr. Steve Robbins.

*John F.*  
In response to your constituent's inquiry, the FBI, at the direction of President Johnson, conducted a prompt, intensive, objective and thorough investigation of the assassination of President Kennedy. The results of this investigation were accurately reported to the Warren Commission, and not one shred of evidence has been developed to link any other person in a conspiracy with Lee Harvey Oswald to assassinate President Kennedy. All available evidence and facts point to one conclusion-- that Oswald acted alone in his crime.

The enclosure to your letter is being returned.

MAILED 2  
APR 17 1968  
COMM-FBI

Sincerely yours,  
J. Edgar Hoover
