FIVE-YEAR REVIEW OF  
WARREN COMMISSION FILES

Reference is made to your letter, under the above caption, dated September 4, 1970.

This letter enclosed a letter to the Attorney General from Herbert E. Angel, Acting Archivist of the United States dated August 17, 1970. Referenced letter stated that Mr. Angel advised "it is time for the documents in the Numbered Document File of the Warren Commission which have previously been withheld from public scrutiny to be reviewed for the purpose of determining whether any of those documents may now be released."

Mr. Angel pointed out that documents of the Department in question included FBI reports (concerning the Assassination of President John F. Kennedy) and a volume of copies of summaries of FBI interviews with acquaintances of Jack L. Ruby. On September 8, 1970, Special Agent J. Donald Huppert contacted Mr. Steven P. Lockman who is handling this matter for the Department. Arrangements were made for Special Agent Kenneth M. Raupach of this Bureau to meet with Mr. Lockman on September 14, 1970, for discussions concerning the review of the material in question.

NOTE: The letter to the Attorney General dated 8/17/70 from the Acting Archivist referred to regulations which require a review every five years of certain files pertaining to the assassination of President Kennedy to determine if information may be made available to the public. It has been five years since the material referred to in instant communications has been reviewed. Bureau Supervisors assisted in the 1965 review, and referenced letter requests our assistance in the current review. When contacted 9/8/70, Departmental Attorney Lockman advised it would be convenient to begin this project on 9/14/70.
