CG 62-6115

conducted a pretext interview of VALLEE on 10/30/63, and noted that he had two M-1 Rifles in his possession, along with .22 Caliber revolver and an estimated 1,000 rounds in miscellaneous ammunition.

Secret Service notified officers of the Chicago PD after the pretext interview and a 24 hour surveillance was placed on VALLEE and his activities by the Chicago PD. On 11/2/63, officers arrested VALLEE on technical traffic violation and found in his possession a knife and the officers charged him with an "assault with a deadly weapon" charge. Also found in the trunk of his vehicle were 300 rounds of ammunition. They subsequently searched his home, 4614 North Paulina, and found additional ammunition.

This appears to be in opposition to the statement in the article that "The fix was in and Vallee was accused of illegal possession of a knife rather than a rifle".

The article also says "notice how Vallee's picture is missing" (from the Chicago PD Arrest Records) and the reproduced Chicago PD Identification Sheet has an editorial note that the picture that had been in this place and PD copy had been removed. The Chicago PD does not place a picture on the Identification Sheet and the picture taken on 11/2/63, was obtained from the PD file and copies were sent to the Bureau on 9/24/74.

In view of the above, no further investigation is being conducted by the Chicago Division re VALLEE at this time UACB.
