

Long Harbor St.

Mr. Vaughn how
 my God how
 thank you I and our
 sister Ginny were
 crucified over a
 scholarship I won
 in the eighth grade.
 I had gone through
 so much hell over
 it at the hands of
 that rotten Joseph
 Reynolds that I can't
 even remember the
 year. All I know
 is that when I was
 in the eighth grade
 the South and High
 School had the highest

in the State of New
York and awarded a
special scholarship
to the student boy
or girl in the eighth
grade with the highest
marks. I was the one
I didn't want to take
the tests for it
because I was afraid
I would fail but
Mr. [unclear] was in
1st year high school
and I did not pass
with flying colors.
My father Josephine
was green-eyed
with jealousy and
caused so much trouble
both in school and

rotten lies. I got so
sick that I dropped
out of school two
weeks before the semester
was out. After that
I worked but then
was forced to follow
Josephine around to
keep her out of trouble
both in speakeasies
and bars. Believe it
or not Blue houses
in Patetogue and
Blue Point. He tried
his best to make a
bum out of me but
instead I turned in
the Duty Chief of
Police Charles McNeil
who was in back of
it. I think he was
the one who got that

at home that my
Father begged me
not to accept it and
forget about going
to college even if my
tuition was to be
paid in any college
in the state along
with my fuel book
and keep. That's when
Josephine robbed the
Principal's office of
247 and threatened
on me and said I did
it to pay Frank to
keep his mouth shut
because we were having
sex relations together.
What was nothing but

reported appendicitis
I decided to stay
home then because
Josephine showed up
Jack said she was
married to Steve
Reynolds so Mrs.
Alben the school
principal made
arrangements for
me to go to lunch in
Freeport with a family
by the name of Flaferin
which I did. I took
up a course in the
Freeport business
school and passed
my high school tests
and got my diploma
I also passed my
entrance exams to
Hafeta University

Duty State Trooper
interested in me
when my parents sent
me to Adaherit to
work as a maid. I
quit one job after
another because of
him but he always
lo cated me though
Josephine who also
followed me around.
I finally left town
in Lyndbrook when I
was 19 years old. That
was the year our
Brother Leo died. I
was called home
just two days before
he died from a

was looking for
maid in Rockville
Center. She took off
with that State
Trooper and that was
the last I saw of
her for awhile. In
the meantime I met
Andrew Poley and he
asked me to marry him
and I decided to do
it because I felt
I could not go to
college under any
circumstances but I
could pass the
scholarship down to
my child if I had
one. I don't know
why but Mrs. Bluffin

with marks of 10040
on every page. The
mistake I made was
to write and tell my
Doctor about it and
he stupidly told
Josephine pho happened
to come home to inquire
where I was. The
next thing I knew
The State Trooper
was calling on the phone
and ringing the door
bell to try and get me
to go out with him.
I wouldn't have
anything to do with
him and then Josephine
came over she told me

if he married and
had on who would
qualify in High School
if not then to my
brother Tommy who
was only a kid then.

From the way Bob
Reynolds turned out
I wonder just where
son he is. Steve Reynolds
of that rotten state
unpopular cause I
knew that Josephine
Reynolds was carrying
on with him and she
did for years. I knew
that she wanted him
to marry her but he
wouldn't and when his
friend got killed
on the Jones Beach
Turnpike also a state

Probably because
she was married for
a few years and never
got pregnant. I talked
me into saying that
if I could not have
the child I should
pass it on to some
else in the family.
Josephine Reynolds
said that she wanted
me to pass it on to
her son, because
she told me she was
pregnant but was
going back to St. Louis.
I refused to do it
and instead passed
it on to John's children.

few months. Then
she showed up
married to Elton Reynolds.
Shortly after her
son was born she
started again about
the State Trooper
and the scholarship.
and told me that if
I would transfer
to Bob she would get
me off the book if not
she would crucify me
though that State
Trooper and her husband
and not a husband
Bob when he grew up
until she saw me
in song. Everything
she said that State
Trooper did to me
rolled off of me

Prosper she called.
Ambrose Warner in
Albany took the papers
with the books and
killed him and tried
them she saw me. He
was under investigation
and blamed me but
I paid no attention to
him but I did tell
him that I didn't
even know a Prosper
Warner. How could
I do it. I thought he
believed me and saw
no more of him of
Josephine Regalby
Father's wife after that
I was married a

that relationship.
I lived in Copiague
but worked in Shelburne
Hill at the Mueller
Instrument Company
as a machine operator
when who should appear

It seems that he
was going to Yellonore
University but was
expelled because he
said it was my
fault so he was
going to Adelphi.
He told me that
he was in politics

and that he was

Frank got sick in
the service and was
sent to hospital.

Then she started
again with that
State Trooper but
it didn't faze me
no bit. I would
believe she was
imagining everything
until 1952, when I
was told that I
could take Frank
home. My sister Lee
Coward is the one
who told her because
she also was after

me that Young McCann
turned over his share
of the family wealth
to Bob Kennedy to
pay off the C.I.A.
and the ground
work for his brother
Jack Election as President.
He told me that he
told Bob Kennedy

They even sent a

me to make a

wanted me to go to

The family stayed
away from me and
I from them. I really
had peace of mind.
All of a sudden it

that because of
that Bob Kennedy

we were staying. I
stated to the man
out weekends and
we went for a
while but the C.I.A.
agent kept hounding
me. He insisted
that if I had
relations with him he
would stop so I
did Mr. Vaughn
just once and he
stopped. He told me
plenty about the
plans Bob Kennedy
had for the C.I.A.
everything that is
going on now in the
papers. He suddenly
realized that he
talked too much

and decided he would
drive me stark raving
crazy and drive me
to Redman, which
he did and drive my
husband to drink and
bopped his dog dead.
which almost happened.

My husband was in

that's what the guy
took him. He wanted

am determined to
fight for his money.
I need it. I tried
to get a job today
and was floundered

fat I guess. I
would like to
see Bob Reynolds
pursued for the
part he played in
what was done to
Frank and I and

husband. His wife
deserved to die.

I was not my
idea to hire Jack

for putting his

He told me that
by the time that
happened, I would

at least three times
and I would have
such a record no one
would believe me.

Thanks your

is my life story

I don't know if
that C.I.A. agent

what he threatened to

please feel free to

they figure out
what's going on. I
don't want
to give up but
he still to me things
all this. He had
no money to give me
just companionship.
I guess that's something.
I don't know
where Bob Reynolds
is maybe he shot
himself I hope so.

I guess you know
all about how Steve

McClamish

that on me too.

By the way

She will go to college

Mr. Rockefeller,

I am forwarding
my letter to you
instead of Mr. Vaughn
because I heard on
the radio that
someone wants the
C.I.A. people stopped
They called you
a liar but you
are not. The only
thing I want you
to get straight
is that the D.I.A.
agent that told
me everything did
not kill the Kennedys
he said someone in
the C.I.A. would do

agent stop! me
vainly, because I
feared to still

a promise I still

to see what happens.
We were not criminals
nor were we saboteurs
just ordinary hard
working people who
were made to seek
by Bob Reynolds
and his C.I.A. that
he could not no
longer.

The real reason
I want Bob Reynolds
brought to justice
is because he tried

the of San Joseph

what he did to me
through the C. I. G.
had them purchasing
subversion in us
that my sister
Virginia and Sophie

it shall corrupt

as one. Just like

me he is a friend
of Ted Kennedy, &

Succeeding in doing
what he did to us
just that in fact he
proved so if he was

I shudder to think
of it. Lets only

to run for Congress.
Bob Kennedy is
a bad sled even
worse than his mother
who was a bad sled
and covered corruption.
