

analysis do of this alleged  
11/17/63 teletype - explanation  
of all entries, is it the standard  
format for teletypes in 1963,  
are the instructions standard  
(for example content informants  
and prepare 302's), etc. any  
information that can be  
gleaned from it.

Can you have someone  
analyze it and prepare a  
memo with copies for Callahan,  
Adams, Jenkins, Gallagher,  
Cleveland, Bassett, McDermott  
+ Wannall.

Thanks,  
Bill Little

Files find communication DW.  
and give informant check (are  
also checking into this.

I talked to Carl Hunt last week.  
He said info on the informant  
is in contact info. - subject 702's
