Memorandum to SAC, Dallas
Re: ASSASSINATION OF PRESIDENT JOHN F. KENNEDY

NOTE: Betty Douthit, 631 South Inman Road, West Covina, California, furnished LA Division a box of papers reportedly obtained from Jack Ruby's Dallas night club ("Club Vegas") in approximately 1964-1965 by her former husband, Robert Kenneth Young (deceased). Douthit and Young are not identifiable in JFK related Bufiles. Among papers furnished to and reviewed by LA Division were two address books apparently belonging to Ruby. LA determined only items of possible value were address books, copied pages of which were furnished to the Bureau for review. Of all entries, only 54 names were searchable and references were found to Ray Johnson, Bufile 62-109060-3477 and John Rector, Bufile 44-24016-1829. LA was to return items, following review, at owner's request. This is to apprise LA and Dallas of result of Bufiles check and to instruct Dallas to submit results of its check in form suitable for dissemination. .
