Dear Sir

Several weeks ago I wrote to the
US Embassy in Ottawa requesting a mail
address for former President Ford I have
received no reply I consider this has an
insult both to me & my country The reason
I made this request was because of an
article I read in Canada National News
the Toronto Globe & Mail the article stated
that while Mr Ford was President he was
told who & why J.F.K. was killed I simply
wanted to write to Mr Ford and ask him if it
is true I hope you will send me his mail
address and also how should he be addressed
in the letter I would certainly appreciate
a reply from you I also intend to enquire
about the Embassy near to the State Dept.

Yours Truly
Dunwood K.K.
