Mr. Jack Ruby  
Dallas, Texas

Dear Mr. Ruby,

I'm sure you're  
going to get many  
requests like mine  
from more experienced  
and knowledgeable  
people at that, but  
I'm the kind of  
person that asks a  
question & I want

Mrs. Paul ~~Roche~~  
83 ~~Forest St~~  
Montclair N.J. 07042

To know the answer,  
and I admit if possible  
of the person most  
likely to know the  
reply.

I would like  
to write your  
biography.

You're probably  
wondering by now  
why I don't even  
make such a  
statement and I'm  
afraid I haven't

-2-  
very much to  
offer by way of  
explanation; I'm  
certainly no seasoned  
writer or veteran  
reporter of any  
kind. I am a  
young woman

I have a high  
I A and at least  
school records  
to recommend me,  
but probably my  
most outstanding  
qualification is  
ambition.

Ambition to  
write, to educate  
and to succeed.  
To write the Great  
American Novel its

-3-

educate the public  
as to what is cer-  
tainly the eventful  
life of a man the  
world is at least  
curious about, and  
to succeed in giving  
you a journal vehicle  
to express yourself  
in as well as to

to say, perhaps  
more extensive later  
views that cannot  
be expressed during  
your trial con-  
cerning your behavior  
up until now  
and to come.

Of course it's  
ridiculous for me  
to ask your collabora-  
tion. I know.  
You will probably  
be offered vast  
sums of money

- 4 -

by famous,  
experienced writers.  
I can't even  
promise to have  
it done a year  
from now, 6 months,  
2 years, etc. All  
I can offer is  
my integrity - I  
think it's enough

I could always  
consult the post  
for information  
perhaps it would  
be adequate.

But that doesn't  
take much atten-  
tion.

Thank you for  
your time, and  
I wish you peace.

Ms. Paul Dusché  
83 Forest St  
Montclair, N.J. 07042

PS- I don't  
even have any  
money to offer you -  
I have a part-  
time job to support  
my husband  
who is a student  
and my son.

I barely enough  
But maybe money

You killed the  
murderer of our  
beloved President

here in the USA  
we do not give a

Dear Mr. Ruby

I just wanted to let you know that I wrote a letter to the Editor, Tom Cruise of the Walla newspaper and I wanted you to watch for it. I hope that he will publish it and post out one with it. It is entitled, "Stake Up Walla".

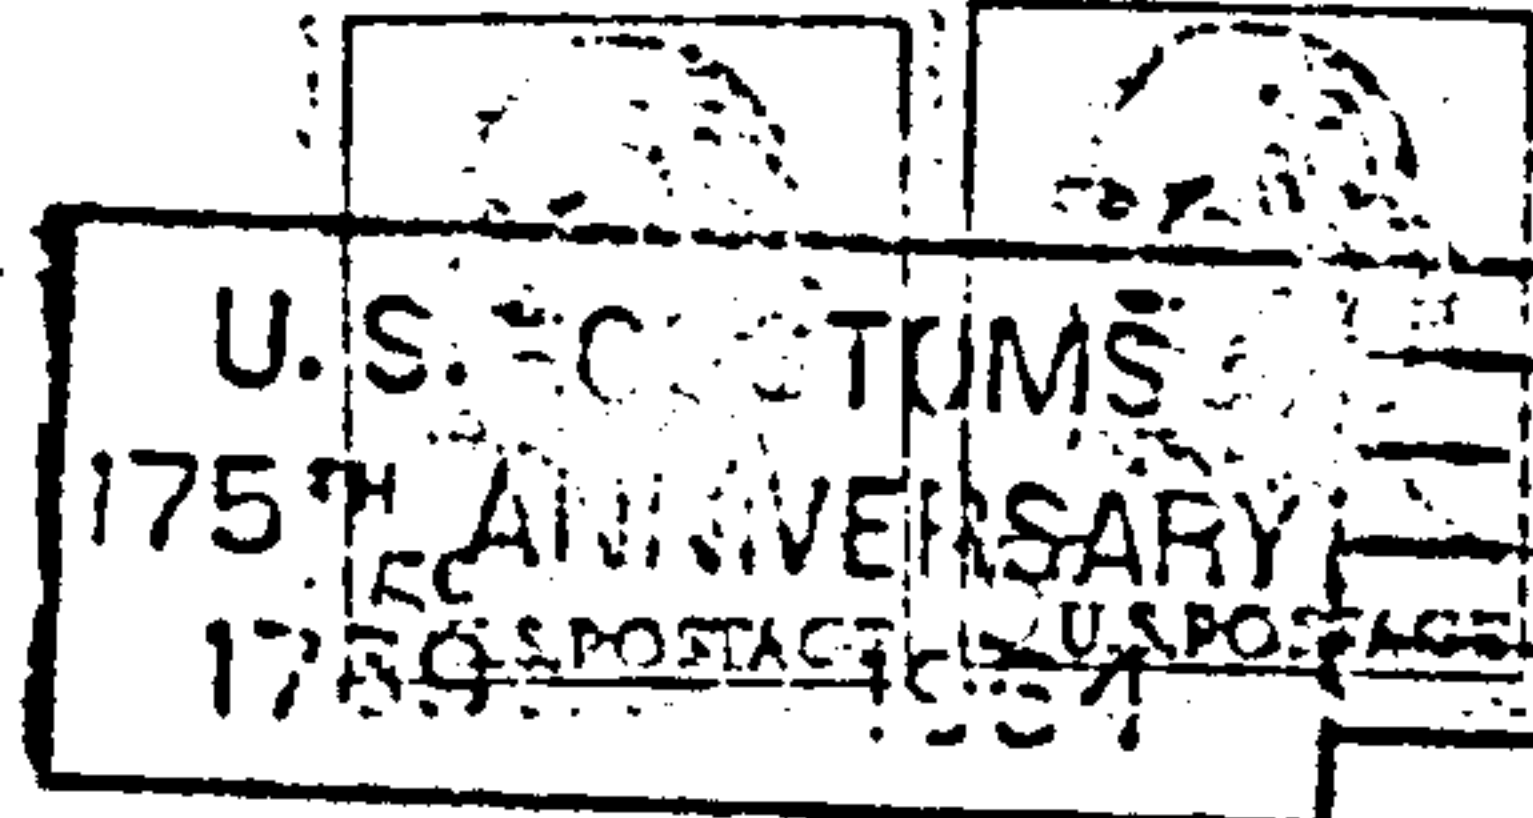

I sincerely hope that you are feeling better.

Please Mr. Ruby don't worry too much as I know that everything will turn out good for you.

Dear Jack,

Hi Buddy, Well how are you these days any better in spirits? Well now from what I read you sure do have a good lawyer and I still think that you will get off with nothing at least I hope so and my family and I are going to remember you in mass tomorrow and again pray that you get set free as we have remembered you in our prayers each Sunday and I still think they should give you a Big Hand Shake and THANKS for what you had done as any real American should think the same way. Well now them two Det. sure are saying you had said a lot but I seen the whole thing and you could'nt have said all that in the split second in which it happened also they sure can't tell me that they could not have at least deflected your shot from where they were when you came at them as when I seen it I was happy and I told my wife SEE the Texas cops are real ~~XXXX~~ as they did'nt even try and stop you as they sure could have if they really tried and now they want to Rail Road You since there is some pressure on them

JACK RUBY

505 MAIN STREET

well now I still think you will get off as the  
people of Texas have no one on yhere Back to  
make them find you Gulty like the Police have as the  
ey sure do seem to have changed there stories and  
if pessure was not put on them well + doubt if  
they would say half of what they did today. Guess  
I will close now hoping to hear from you soo and I  
wish you all the luck in the world to.
