There is attached for Indianapolis one copy of CIA letter dated 3/17/64 captioned "Sammy." Two copies of this letter are attached for WFO and one copy is attached for the New York Office.

The information in the attached letter was furnished by Yuri Rossako, who has been given the code name of Sammy by CIA. Sammy stated that the KGB has an operational interest in the subject.

[Redacted]

You should identify the subject through your sources at the [Redacted]. Complete background information concerning her should be obtained and an investigation should be conducted to determine her current activities. You are authorized to conduct investigation through established sources at the [Redacted]. The results of your investigation should be submitted in form suitable for dissemination and Sammy should be covered by a T symbol. This should be handled promptly in order that the results may be furnished to CIA for its information in connection with the interrogation of Sammy.

WFO should check the records of the Passport Division in an attempt to develop background information concerning [Redacted]. WFO should also discuss this case with Sammy in order to obtain any additional information he might have.
