MEMORANDUM FOR: Director
Federal Bureau of Investigation

SUBJECT: *O* SAMMY

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED EXCEPT
WHERE SHOWN OTHERWISE.

1. On 19 August 1964 while reviewing lists of Soviets who came to the United States in the Summer of 1959 in connection with the Soviet Trade Exhibit in New York City, SAMMY identified ~~Ivan KURILENKO~~ as a KGB officer who was at that time (1959) assigned to the First Section (American Embassy), First Department (United States), Second Chief Directorate (Internal Counterintelligence). SAMMY further stated that he knew that ~~KURILENKO~~ had travelled to the United States on a TDY basis a few years ago and that he did not have an assignment from his own unit but "was fulfilling a request" of the KGB residentura in the United States, i.e., a First Chief Directorate task. However, he had no details on this task. SAMMY assumes that the 1959 trip and the one he described above are identical since, to his knowledge, ~~KURILENKO~~ made only one trip to the United States.

2. Our records reflect that the only trip ~~KURILENKO~~ made to the United States was from 3 June to 23 August 1959 in connection with the above mentioned trade exhibit.

3. In a subsequent follow-up interview with SAMMY on ~~KURILENKO~~, SAMMY stated that ~~KURILENKO~~ is a veteran KGB officer with ~~26 years~~ service who worked in Military Counterintelligence in World War II and may have subsequently served in the First Chief Directorate at one time. From 1959 to 1961 he was assigned to the First Section, First Department, Second Chief Directorate. In early 1962 he was transferred to the Seventh Directorate (Surveillance) where he was chief of a section handling receptions given by Soviet officials for foreigners. He was in this position about six months and was then transferred to Service Number

Sammy was furnished a copy of [redacted] in mid-August 1964 and was asked to review the publication and comment on all of the events or personalities mentioned in the publication concerning which he had any knowledge.

Attached are two copies of a Memorandum for the Record, Subject: [redacted] It should be noted that Sammy was not specifically queried concerning the events and personalities mentioned in the publication. However, the Second Chief Directorate of the KGB, in which Sammy was an official, necessarily was involved in many of the activities mentioned in the publication. In view of this, the individual knowledge of Sammy concerning the events and personalities mentioned in the publication seems quite limited for an individual with the length of service in the Second Chief Directorate of Sammy.
