When incorporating information furnished by [redacted] into communications suitable for dissemination outside the Bureau, Bureau authority is not necessary when the information can be paraphrased so that the identity of the informant is not jeopardized. When certain specific information is of such a nature as to prohibit dissemination, the Bureau should be advised of the basis for non-dissemination. (u)

Certain information furnished by [redacted] will be of such a nature as to necessitate a classification above "Confidential", since the disclosure of this information to unauthorized persons could have a detrimental affect upon international relations and the national defense.
