P - One-page explanatory remarks in regard to
O above

Q - Rough sketch prepared by Subject during interview
on 7 November 1967. A copy of this sketch with
the notations made by the undersigned on 7 November
1967 was given to the Subject in connection with the
request to the Subject for certain detailed drawings.
The Subject, in his detailed drawing of [REDACTED]

[REDACTED] Subject ex-
plained during interview on 9 November 1967 that
he had recalled that there were no [REDACTED]

[REDACTED] For further details, see transcript
of meeting with Subject on 9 November 1967 which
is not yet completed.

4. When time permits, it is expected that a typed copy will
be made of the handwritten explanatory memoranda prepared by the
Subject, in addition to making a typed copy of any explanatory remarks
contained on the drawings. It will also be possible to give full names
for a number of the individuals concerning whom there is not a full
name. This can be accomplished either from information previously
furnished by the Subject in 1964 or from collateral information. The
above, when completed, will be disseminated as a supplement to
Operational Memo # N-16.

5. It should be noted that Subject has mentioned approximately
[REDACTED] names either in full or in part in his prepared memoranda and
drawings. Some of these names are mentioned more than once but it
is believed that [REDACTED] is a reasonable estimate of the total number of
names. In view of this [REDACTED] there will be a delay
in completion of the supplemental memorandum. However, the hand-
writing of Subject is relatively legible, even on names, and recipients
of this memorandum will be able to read most if not all of the written
comments of Subject.
