(THIS FORM IS TO BE MAINTAINED AS THE TOP SERIAL OF THE FILE, BUT NOT SERIALIZED.)

The above listed documents were provided to the National Archives and Records Administration (NARA) under the JFK Assassination Records Collection Act of 1992. Pursuant to the Act it was necessary to provide the original documents to NARA; whenever an original document was provided, a xerox copy of the document was inserted in its place.

For Informational Purposes Only

The originals removed from this file and replaced with duplicate copies of the original were accessioned to the National Archives and Records Administration (NARA) pursuant to the JFK Records Collection Act of 1992. Provision of the JFK Act allowed for certain information to be postponed from public release until the year 2017; therefore, the pages have **NOT** necessarily been released for public review in their entirety.

Under the JFK Act, originals to all material deemed assassination records must be accessioned to NARA regardless of whether the material is open in full or released with information postponed. Therefore, any documents or pages from FBI files accessioned to NARA pursuant to the JFK Act are no longer considered the possession of the FBI. The duplicate pages have been inserted strictly for research purposes.

The copies contained herein **do not** necessarily show the most up-to-date classification.

To attain a copy of the publicly released version of any materials maintained in the JFK Collection at the NARA facility in College Park, MD, you may contact the JFK Access Staff, at 301/713-6620.

The following materials were removed from this file and are maintained in the JFK Collection at NARA:
