RUSSIA

Sin Along with Sig

To some of the younger staffers in Britain's Moscow embassy, smooth, charming Sigmund Mikhailaki was living proof that a Communist needn't be a cad. An interpreter, smiling Sig was hired to 1954 and soon made himself a regular Man Friday around the chancery offices on Sofiiskaya quay. When no one else could get Bolshoi ballet tickets, Sig did. He was equally skillful at producing hard-to-get goodies, or black-marketing their clothes or Western currency for a handsome profit. He always went out of his way to help the lonely ones, showed them the sights, even took them to restaurants where they invariably met Russians who seemed not at all afraid to talk freely with Westerners.

Elder embassy hands were skeptical about Sig, knowing that he was probably a Soviet spy. After all, local help in Moscow must be hired from U. P. D. K., the government personnel agency for foreign employers. But if the embassy fired Sig, they reasoned, he would probably only be replaced by another spy who might be a boulder to boot. In any case, the younger Britons, who invited him to their parties and went to his, felt certain that he hated the Russians. "You see," explained Sig, "I'm a Pole." He made a determined pass at every new English girl he met--and at the boys as well. When they resisted, he explained mournfully that life in Moscow was hard on a passionate Pole.

Unusual Happenings. Alas, poor Sig! One day in 1956, with no advance warning, the British fired him. Not without cause. Sig's saga finally came to light last week in a remarkably bland report by the judicial tribunal that has spent three months investigating the latest British spy scandal: the strange case of William John Vassall, a homosexual Admiralty clerk who had been assigned to the Moscow embassy for two years, and had been spying for the Russians for seven. Vassall's superiors, and all but one of the officers who picked him out of 40 applicants for the Moscow assignment, were exonerated by the tribunal, which judged him "weak" but not overtly queer. However, admitted the report, Vassall's young colleagues in the embassy ridiculed his "effeminate" ways and called him ("Vera.") The passionate Pole soon guessed his secret, and life began anew for Vera Vassall.

ENCLOSURE

62-68520-945

Eager to share his new conquest, Sig introduced Vassall to other gay types. "I shall never forget," Vassall wrote to an older man in London, "the many unusual and extraordinary happenings that go on here, which must come to few people." He did not apparently regard it as too unusual when one of his new Russian friends photographed him in the act one evening. It was not until Vassall was caught Red-banded with a Soviet officer that Russian secret police intervened and explained to him the gravity of his offense. When they threatened to show the compromising photographs to Lady Hayter, wife of the ambassador, Vassall agreed to provide them with the classified embassy documents they wanted.

Manufactured Compromise. During his years at the British embassy, said the tribunal's report, Sig tried to blackmail three other Britons for black-marketing, got at least two members of other Western embassies involved in homosexual activities; all these victims were hustled home by their governments after refusing to spy for him. Sig also tried his best to seduce a female secretary in the British embassy, but she guessed his aim and reported him. Still Sig stayed on.

"The manufacture of compromising situations," concluded the judges' report last week, "must be regarded as one of the regular instruments by which the Soviet secret service seeks to suborn and enlist British agents who can furnish it with our state secrets." Thus was Britain's security system warned about Soviet Sigmunds. But would it ever get wise to British Veras?

The Soviet

Pressure on

IMMIGRANT, From CI

The Soviet government, she said, has done "every thing possible to discourage... this new pride we found in ourselves."

Applicants for exit visas, she said, frequently lose their jobs and are forced to carry out a "heroic patriotic battle" for the right to leave.

Mrs. Bershadskaja's own life has a mixture of the cultural and political cross-currents at odds in her native Russia.

A ballet student from the age of 10, she studied for several years with the Bolshoi as well as provincial companies.

After the war she was mentored by a famous early 19th-century ballerina, and then trained for a career with the Bolshoi. In 1941 she was arrested from 1941 to 1943.

She was arrested in 1946, tried and sentenced to 10 years in a Siberian prison for "anti-Soviet propaganda."

Pressure on

IMMIGRANT, From CI

A former Bolshoi ballerina who was held in Stalin as a political prisoner and yesterday that even in the Soviet Union she "failed to assert their Jewish feelings." But she said the tactics of retaliatory violence sanctioned by the militant Jewish Defense League "will not give any help."

Instead, Luba Bershadskaja, a Jew who won the right to emigrate from Russia to Israel last year after a long struggle with Soviet authorities, called for bringing the conditions of Soviet Jewry before the world conference of Communist parties, which is scheduled to meet soon in Moscow.

"Now is the time to pressure the Soviet Union to permit free immigration to Israel for Soviet Jews," she said, adding that the Soviets are way of world opinion and beginning to "soften a little" on their Jewish

... if you remember, we... and they... our... the... Jewish people are... enough to find... ways to help," she said.

Mrs. Bershadskaja said the efforts by the Soviet government to eradicate Jewish identity have been more or less constant through most of her life, but said Israel's victory in the Six-Day War of 1967 raised "thousands of Jews in Russia to raise their heads."

"They realized," she said, "that they had their own culture and they had their own history and they had their own country. It was a small country, but heaven."

People who in the past had been "afraid to claim their culture" began wearing small gold stars of David around their necks on the streets of Moscow and began to ask permission
